216 Paterson Plank Road  
Carlstadt, NJ

Dear Janet:

In response to your letter of May 17, 1985 addressed to Ashland Chemical Company concerning the above site, this is to advise that Ashland is participating with the Carlstadt Steering Committee in working with Region II concerning a proposal under which a group of generators might be willing to undertake the RI/FS.

I will be Ashland's contact representative concerning this site.

Very truly yours,

A handwritten signature in cursive script, appearing to read "S. W. Leermakers", written in dark ink.

Stephen W. Leermakers
